Col W^m P. Johnson,

Dear Col

I have delayed answering your two letters—short one & long one of the 28th, (the last w'h was read with most grateful feelings) & let'e'gm and resolutions, all of w'h I sent to Mr W, & last eve'g received his letter which I inclose, that I have been waiting for and also another from Miss C, received this morn'g. I will send her a few lines by this mail, — that “altho' I never hear from you except thru' an appeal, am glad to know you are well, & will send you her letter, as I do all such communications.”— I have also received Sec'y Strong's letter with the resolutions passed by the board of the Administrators, that I mailed last eve'g to Mr W.—I am pained to think I shall not see you this Fall in N.Y. the hope “that springeth eternal” will not forsake me. Since the 1st our weather has been hot, we having no Spring in N.Y. so lovely, but only winter & Sum^r. Do please give my love to Mrs J, with regards to all yr family

I must not forget to tell you, we have living with us D^r Alfred. B. Tucker, whose mother was Miss Taylor from Winchester Va, and whom I have been introduced to, and is most charming. Wishing all you deserve and desire.

Very sincerely
Jo. L N—
