Glen Falls, N.Y., Augst 2^d 1894.

My dear friend,

Your most welcome letter of July 27th, I received just as we were leaving Rcfld Springs, 1030 o'c a m July 30th, arri'g here at 6,30 p.m. after a safe pleasant ride. You have indeed been favored with with a cool, uniform sum^r, we had some days while it lasted, the most prostrating heat I ever felt. I know your self & all, must have been very busy attending to "building & improvements," & am so glad to hear, you are satisfied with the arrangements; be assured whatever is entirely satisfactory to yourself (underlined twice) & the "committee generally," I am most grateful to endorse, feeling the deep interest, you all take in the progress & success of my child's "Memorial."—The change you have made from "Josephine Louise Cottage" to "Josephine

Louise House," will meet the approval of the public in general, as I have had several letters asking "why! so imposing a building & such an ornament to the entire neighborhood should be called a "Cottage, they can't understand."— With you I much prefer the word 'House, to Home.' Let us hope as the College from the Opening has so prospered, it will continue to grow and increase in favor, which we must think from your many appeals for catalogues. I have carefully looked at the drawing of the Chapel, to see the number of windows on each side, wishing to put the two nearest [^] to the chancel on either side, opposite to each other as 'Memorials' to my Mother and Mr Newcomb, as my offering to the Chapel. I enclose an invite, sent to me from the Ursuline Convent in New Orleans, which no doubt you have seen. I am so happy to hear Mrs D's health has so improved. Mr C, desires warm regards to Mrs D, & Mrs Carson, and C, & W, & yourself with my love to each—from

Very truly & sin^{ly}
Jo. L Newcomb.
