

T'ville Ga Box 188 March 11th 1895.

Prof B.V.B. Dixon

My dear friend,

I have your very kind letter of the 6th, and write a few lines to say Mrs Ten B, with her son H.D.N. left Yest'y__ for your city, and will be at the Pickwick Hotel. I enclose a letter for your perusal (you can keep until you see us) from the Rev Thomas Gallaudet D.D. who with a part of his family, had been to see the "Memorial Window" Mr C, is putting in the Chapel, for you to read his opinion of it, and a slip which will give you D^r G's entire history. As he visits N.O. occasionally, he is most anxious to meet you and see your College. The electric cars will certainly be of great advantage to the College. We must have patience with the "printer's presses." — With love to dear Carson, I do hope he will keep well, & with Mr C's regards to him Mrs D, and Willie and yourself and my love to each from

Very sin^{ly},

Jo. L. Newcomb.

Mr Solon Humphreys is
also in raptures with the
Memorial Window.
