room 71.

May 31st/97

My dear friend,

We arrived Thursday evening here from Washington, where we rested a week, as Mr C_ and myself were completely worn out, but thro Gods love and care we had a safe prompt trip. I cannot say how long we will be here, and Mr C. and I will be most happy to see your self and dear hus'^d when you can call, with Mr C's greetings and hoping you are both well, with much love

as ever Jo. L Newcomb.
