My dear friend

Your long most interesting letter of the 19<sup>th</sup> I am indeed grateful for as it was truly gratifying to me in every line, & thankful to write you I think I am improving now as my D<sup>r</sup> has left me for a visit to the Fair. I am glad to hear of the students wisdom to "grow older in school than to graduate young." Dont you think in painting "certain places" of the College the renovation will be more apparent than the defects are now but I leave it to your better judgment to decide. I fully endorse all you write of the College with your permission to add, it is you alone, I feel, while duly appreciating the warm interest of all my friends in my childs Memorial, deserves the triumphant success of the present & future of the H.S.N.M. College

As regards the Art buiding shall Mr C, write to

Mr. Eyre, the architect, (Wilson Eyre 927 Chesnut St Phil<sup>a</sup> Pa) & request him to correspond with you, or will you write direct at my request. After reading your letter to me of the 19<sup>th</sup> regarding the "addition of Music" he agrees with you entirely in all you write, & I think with you when "able to attempt the "addition of Music" it should be as you write of it. I would here mention I have been asked by several, two Spanish consuls, if the H.S.N.M. College had a Spanish Prof? Knowing fully my feelings for the art building & the Chapel as you do, I have said to you & written to you all that <sup>is</sup> necessary, I do wish it were in my power or influence to assist you in getting "suitable accommodations for students from a distance." I do hope the "committee of the University" of which you are a member will result most satisfactory to all interested. I am indeed happy to hear Mrs D, is better having been a

housekeeper myself, I know the fatiguing duties of so good a one as she is; when you receive this she will have her dear mother to each & C, & W—please give my love with Mr C's warm regards & yrself, with the assurance of my sincere esteem
