Mr. H. K. Pomroy

D^r Sir

As Mr C. replied to your letter to me, enclosed in the inventory of my securities, said for me they were very satisfactory, I did not write you at the time to truly thank you, for your judgment and successful results. I have this day, given my check for \$8000, payable to Pres Brandt V. B. Dixon for the 15th. I would be glad if you could send me through the mail, another small book of blank checks, the one I think I have is the smallest made and is out, held fifty. Mr C. sends his regards to you.

Very truly

Jo. L Newcomb.
