*Glen Falls, N.Y., June 15<sup>th</sup> 1894*

My dear friend,

I had this pleasure on the 12<sup>th</sup>, and last eve'<sup>gs</sup> mail brought me your welcome letter of the 10<sup>th</sup>, which I read with much interest. and under the circumstances, think you and all, have shown and exercised wisdom and judgment, in the change of the 'Newcomb College Catalogue's' that came with your letter, one to Mr C, and to myself. I rejoice for you the College is closed until Oct<sup>r</sup> 1<sup>st</sup>. I knew dear Carson would reward his Parents at his graduation, and Willie will not be behind him when his time comes. How grateful we feel in prayer & praise to Him, for the joy and happiness we have, in <sup>our hearts</sup> for the children He sends us. I like so much the Newcomb Catalogue, with the cuts of the buildings in it. I was looking for the Academical

one, which everyone admires, and pardon me, think too, it, should have had a place, so imposing a building that does you all credit. Mr C, left Yester morn for Concord Mass,—to visit his Aunt of 80. With love to Mrs D, & Mrs C, and the "boys" please make my congratulations to C,

for very sin<sup>'ly</sup> Jo. L Newcomb
