My dear friend,

I had just mailed my letter to you of the 8th, when the mail bro't me yours of the 6th, & one to Miss B, from Mrs Dr R. in speaking of dear Willie, she writes "Oh! I wish they would not send" him to Colorado, that dry climate is not in the end "good, for anyone with lung trouble. Dr R_ after "sending two or three patients there said he would "never send another;" therefore do hope you will go to Las Vegas, as soon as your dear hub^d is able to travel; I have full faith in his fine physique, & Dr Chas, skill (if it was him who operated) & success, for his happy recovery, dear Willie can't help being nervous, & you dear friend I well know what you have to endure; but God is loving & merciful, & will comfort you & sustain you. Miss B, sends love with Mr C,^s regards, & sympathies for you all, with my poor prayers & much love from aff^{ately} yours
