

Richfield Springs Cary Cottage New York.  
July 24<sup>th</sup>/99.

My dear friend,

I had this pleasure on the 19<sup>th</sup> and since then have received the Catalogue of Bryn Mawr College from its Pres, Mr Philip C. Garrett (who was made the first Trustee by its Founder Dr Joseph W. Taylor) and now its Pres, who sent me the Catalogue that I send with this letter to you. Mr G, with his daughter was a guest in this house, and asked me for a Newcomb Catalogue which I gave him, after reading it, said to me, "Mrs N— has the plant been sufficient for the success and progress of the College and is it endowed?"— To the first question I replied, 'it has so far' — and to the other I said, "it is endowed by annual purchases of property to it."— Mr G, has not been to N.O. but hopes to visit the city some day, he is a Quaker & very agreeable.—
