Mr H. K. Pomroy.

Dear Sir,

Please find enclosed your notice for my signature for your kind interest in my securities, which came only with account of my affairs, from September first to September 30th 1900.— I also ask your kindness to defer your call from Tuesday the second, to Thurs'^y the fourth. Mr C. not remembering Mrs Chamberlain, had invited friends to lunch with her that afternoon; and Wednesday afternoon if able, I have an engagement to go out with some friends.— I also enclose my check, for you to please cash for me in the bills I have named.

Hoping yourself and Brother are quite well. very sin^{ly} Jo. L Newcomb.
